Crime Files Series

General Editor: **Clive Bloom**

Since its invention in the nineteenth century, detective fiction has never been more popular. In novels, short stories, films, radio, television and now in computer games, private detectives and psychopaths, prim poisoners and over-worked cops, tommy gun gangsters and cocaine criminals are the very stuff of modern imagination, and their creators one mainstay of popular consciousness. Crime Files is a ground-breaking series offering scholars, students and discerning readers a comprehensive set of guides to the world of crime and detective fiction. Every aspect of crime writing, detective fiction, gangster movie, true-crime exposé, police procedural and post-colonial investigation is explored through clear and informative texts offering comprehensive coverage and theoretical sophistication.
