Focusing on the future	170
Breaking into the career market	173
Creating a CV	177
An academic career	181
Achieving success	185
Index	186

Acknowledgements

I would like to thank Paul McColm for making this book so much more effective than it would otherwise have been. I would also like to thank Kate Howlett, who worked so hard to widen the book's appeal. I am grateful to Michael C. Milam for giving me so much support from across the Atlantic and, as always, Felicity and Anastasia Becker made light work of proof-reading and ensured that the index is as comprehensive and accurate as possible.
