Acknowledgements

A number of people have helped enormously in the writing of this book. Dwight Meares at the US Military Academy at West Point and John Reynolds of the Garda College deserve special mention for kindly sending on both documents and the results of their research. Thanks also to Michael Kennedy of the Royal Irish Academy for his assistance in deciphering Department of Foreign Affairs files. I wish to acknowledge the assistance of the Director and staff of the National Archives of Ireland, the Irish Military Archives, the University College Dublin Archives, the Columban Archives and the National Library. I am indebted to Tomás Kenny for his constant supply of books and his perceptive insights on Irish history. Finally, none of my work would ever be possible without the patience, forbearance and support of my wife Monica and daughter Sophia, to whom I owe everything.
