Victim-Offender Reconciliation in the People's Republic of China and Taiwan

Palgrave Advances in Criminology and Criminal Justice in Asia

This bold and innovative series provides a much needed intellectual space for global scholars to showcase criminological scholarship in and on Asia. Reflecting upon the broad variety of methodological traditions in Asia, the series aims to create a greater multi-directional, cross-national understanding between Eastern and Western scholars and enhance the field of comparative criminology.

The series welcomes contributions across all aspects of criminology and criminal justice as well as interdisciplinary studies in sociology, law, crime science and psychology, which cover the wider Asia region including China, Hong Kong, India, Japan, Korea, Macao, Malaysia, Pakistan, Singapore, Taiwan, Thailand and Vietnam.
