	Index	274

*Medicine is a social science,
and politics nothing but medicine on a large scale.*

RUDOLF VIRCHOW

Acknowledgements

I would like to thank those who have helped with the production of this book. Jean Lines for typing (and retyping!) the manuscript, Philippa McCaffrey, Libby Pratt and Greg Heron for assistance with the bibliography, Jenny Fea for help with the proof reading and Dugald McLellan of Macmillan. I would also like to thank friends and acquaintances who have given advice and support (often *inconscient*).
