The publishers wish to state that every effort has been made to trace all the copyright holders but if any have been inadvertently overlooked they will be pleased to make the necessary arrangement at the first opportunity.

Preface

This book is based on the television series *The Making of Britain* made by London Weekend Television for Channel Four. I am very grateful for all the help I received from those at London Weekend Television who developed and produced the series – Barry Cox, David Tereshchuk, David Coulter and Mike Flood Page. My thanks are due also to the individual contributors who shared with me their knowledge and enthusiasm for the subject, and saved me from errors of interpretation both in the book and in the series. A number of other scholars in the fields of archaeology and early medieval history also advised me and I should like to thank in particular Bertil Almgren, Nicholas Brooks, James Campbell, Tania Dickinson, David Dumville, Simon Keynes, Peter Salway and Martin Welch. Sarah Mahaffy proved a sympathetic and most helpful editor, especially in the later stages of editing. Finally, Debbie Hall, Pam Wilkinson and Jane Crush typed a difficult manuscript with great patience.
