ACKNOWLEDGEMENTS

We would like to thank our research assistants, Janell Mills and Ayling Rubin, for their invaluable assistance in finding information, giving suggestions and providing a critical reading of our work; they have been involved in this project from the outset. We would also like to thank Mark Hayne for reading the manuscript and John Roberts of the Department of Geography at the University of Sydney for preparing the maps.

Note: throughout, the number ‘billion’ is used in the sense of ‘thousand million’.

Note to second printing: some errors in the original text have been corrected.
