Acknowledgements

Thanks for financial support are due to the Department of Health (Chapters 1 and 8) and the Economic and Social Research Council, funded under project WB04250012 (Chapters 3 and 5). The editors heartily thank Lorna Foster for her editorial contributions and the extraordinary patience and forbearance she has shown despite constant revisions by contributors. Thanks also go to the secretarial staff of the Centre for Health Economics, University of York, under the capable direction of Sal McNeil.
