PREFACE

This book owes much to the hard work and enthusiasm of fellow historians on both sides of the Channel. In particular, I would like to thank Professor J. S. Roskell for first alerting me to the fascination of the subject, and Professor C. T. Allmand and Dr A. J. Pollard for guiding my research. Of my colleagues, Professors M. D. Biddiss and B. R. Kemp deserve special mention for their helpful advice in the preparation of this book. John and Tom have had to put up with much neglect on the home front, but have never ceased to provide support and encouragement. To them I offer both my love and my gratitude.
