List of Contributors

Stephen J. Ball is Professor of Sociology of Education in the School of Education, King's College, London, and Director of the Centre for Public Policy Research. His books include *Education Reform* (1994) and *Markets, Choice and Equity in Education* (1995, with Sharon Gewirtz and Richard Bowe). He is Managing Editor of the *Journal of Education Policy*.

John Barry is Lecturer in Politics at the University of Keele. His research interests lie in the broad area of green political and moral theory and in the political economy of environmental issues, as well as contemporary social and political theory. He has published numerous articles and chapters on green politics and the normative and economic dimensions of environmental problems. He has two books forthcoming: *Nature, Virtue and Progress: Rethinking Green Politics* and *The Environment and Social Theory*.

Michael Cahill is Principal Lecturer in Social Policy at the University of Brighton. He is the author of *The New Social Policy* (1994) and a forthcoming book on social policy and the environment.

Laura Cram is Jean Monnet Fellow in European Public Policy at the University of Strathclyde. She is the author of a number of journal articles and book chapters on European Union social policy and of the book, *Policy-Making in the EU: Conceptual Lenses and the Integration Process* (1997). She is currently writing a book on social policy in the European Union for the Macmillan European Union series.

Nick Ellison is Lecturer in Sociology and Social Policy and Deputy Dean of Social Sciences at the University of Durham. His publications include *Egalitarian Thought and Labour Politics: Retreating Visions* (1994), a number of articles on the Labour Party and social policy, and 'Towards a New Social Politics: Citizenship and Reflexivity in Late Modernity' (*Sociology*, November 1997).

Martin Hewitt teaches social policy at the University of Hertfordshire. He is the author of *Welfare, Ideology and Need* (1994) and several articles on social need and the future of the welfare state. He is presently writing a book on social policy and human nature.

Paul Hirst is Professor of Social Theory, Birkbeck College, University of London, a member of the Political Quarterly Editorial Board and Executive of Charter 88. He is the author of *Associative Democracy* (1994), *Globalisation in Question* (1996, with Grahame Thompson) and *From Statism to Pluralism* (1997).

Mary Langan is Senior Lecturer in Applied Social Studies at the Open University. She is General Editor of the Routledge Social Policy Series *The State of Welfare* and editor of *Welfare: Needs, Rights and Risks* (1997).

Ruth Lister is Professor of Social Policy in the Department of Social Sciences, Loughborough University. She is a former Director of the Child Poverty Action Group and member of the Commission on Social Justice. Publications include *The Exclusive Society: Citizenship and the Poor* (1990) and *Citizenship: Feminist Perspectives* (1997).

Peter Malpass is Professor of Housing Policy at the University of the West of England, Bristol, and has been involved in research and teaching on aspects of housing in Britain since the early 1970s. His publications include *Housing Policy and Practice* (with Alan Murie, 5th edition, 1998), and an edited collection, *Ownership, Control and Accountability: the new governance of housing* (1997).

Ailsa McKay is Lecturer in the Economics Department at Glasgow Caledonian University. She is a social economist with a background in welfare rights and housing work. Her teaching and research interests are in the areas of feminist economics and the economics of the welfare state. She is currently completing her PhD thesis on the political economy of the basic citizens' income proposal as a strategy for the harmonisation of European social protection packages.

Sarah Nettleton is Lecturer in Social Policy at the University of York. She is the author of *The Sociology of Health and Illness* (1995) and a co-editor of *The Sociology of Health Promotion* (1995).

Gillian Pascall is Senior Lecturer in Social Policy and Administration at the University of Nottingham. She is co-author with Roger Cox of *Women Returning to Higher Education* (1993) and has recently published *Social Policy: A New Feminist Analysis* (1997).

David Piachaud is Professor of Social Policy at the London School of Economics. He worked at the DHSS between 1968 and 1970, and subsequently in the Prime Minister's Policy Unit between 1974 and 1979. He is the author of numerous books and articles on poverty, social security and European social policy. Recent publications include *The Price of Food* (1996, with Jonathan Webb) and 'The Growth of Means-testing' in the CPAG publication, *Britain Divided* (1997).

Chris Pierson is Professor of Politics at the University of Nottingham. He has written extensively on the problems of social democracy and the welfare state. His most recent books are *Socialism After Communism*, *The Modern State* and *Beyond the Welfare State*.

John Solomos is Professor of Sociology and Social Policy at the University of Southampton. He has written widely on key aspects of race relations, including political mobilisation and the role of public policies in this field. Among his most recent books are *Race and Racism in Britain* and (with Les Back) *Racism and Society*.

Noel Whiteside is Reader in Public Policy at the University of Bristol. She has contributed numerous articles in various social policy and historical journals addressing these themes. Her books include *Casual Labour* (1986, with Gordon Phillips), *Bad Times: unemployment in British social and political history* (1991) and *Government, Industry and Labour Markets in Britain and France* (1997, edited with Robert Salais).
