Notes on the Contributors

John Barry teaches in the Department of Politics at Keele University. His main interests are green political and ethical theory, ecofeminism, theories of political economy, democratic theory and debates within contemporary political philosophy. He has two forthcoming books: *Environment and Social Theory* and *Rethinking Green Politics: Nature, Virtue and Progress*. He is currently working as co-editor on the *International Encyclopaedia of Environmental Politics* to be published with Routledge in 2001. He also has an interest in the history and politics of Ireland and Northern Ireland, and the relationship between literature, national identity and politics.

Simon Bromley is Senior Lecturer in Government and Politics at the Open University, UK. His research interests are in the field of international political economy and publications include *American Hegemony and World Oil* and *Rethinking Middle East Politics*. He is currently working on questions of sovereignty, globalisation and governance, focusing on the place of the South in the emerging frameworks of global governance.

Glyn Daly has written numerous articles on post-Marxism, post-structuralism, psychoanalytic theory and its consequences for the study of politics and ideology. He is the author of a forthcoming book *Post Marxism*.

David P. Dolowitz is a Lecturer at the University of Liverpool. His current research focuses on how political systems influence each other. He is particularly interested in the development and operation of workfare. He is author of *Learning from America: Policy Transfer and the Development of the British Workfare State* and has published in journals such as *Political Studies*, *Governance* and *Parliamentary Affairs*.

Andrew Gamble is Professor of Politics at the University of Sheffield and Director of the research programme on the political economy of

the company funded by the Leverhulme Trust and the Anglo–German Foundation at the Political Economy Research Centre. Recent publications include *Hayek: the Iron Cage of Liberty* and (with Gavin Kelly) *The New Politics of Ownership* and *Owners and Citizens*.

Daryl Glaser is a Lecturer in the Department of Government, Strathclyde University. He was born in South Africa. He obtained his BA(Hons) (1983) and MA (1988) at the University of Witwaterstrand and his PhD at the University of Manchester (1994). He has lectured at the Universities of Witwaterstrand, Natal and Strathclyde. His main areas of interest are radical political thought, democratic theory and South Africa. He is currently working on books in these areas.

Colin Hay is a Lecturer in the Department of Political Science and International Studies at the University of Birmingham. He is the author of *Re-Stating Social and Political Change* (winner of the Philip Adams Memorial Prize), *Labouring Under False Pretences?* and co-author of *Postwar British Politics in Perspective*. He is also co-editor of *Theorizing Modernity* and *Demystifying Globalization*. He is on the Editorial Board of *Sociology* and, with David Marsh, is series editor for *Globalization and Governance*.

Stevi Jackson is Professor of Women's Studies and Director of the Centre for Women's Studies at the University of York. She is the author of *Childhood and Sexuality* (1982) and *Christine Delphy* (1996) and co-editor of *Women's Studies: A Reader* (1993), *The Politics of Domestic Consumption* (Wheatsheaf, 1995), *Feminism and Sexuality* (1996) and *Contemporary Feminist Theories* (1998).

Jim Johnston is completing a PhD at the University of Birmingham. His research interests include post-war British politics and Britain's relative economic decline. His other published work includes *Post-war British Politics in Perspective* (co-author).

Michael Kenny is a Lecturer in Politics at Sheffield University. He is the author of *The First New Left: British Intellectuals after Stalin*, co-author of *Western Political Thought: A Bibliographical Guide to Post-war Research*, and joint editor of *Planning Sustainability?* and *Rethinking British Decline*. He is currently preparing a book on political theory and the question of identity.

David Marsh is Professor of Politics and Head of Department in the Department of Political Science and International Studies at the University of Birmingham. He has published widely on British politics, political sociology and political economy.

Charlie McMahon has taught at the University of Strathclyde, University of Glasgow, Glasgow Caledonian University, University of Paisley and the Open University in the areas of social theory, philosophy, political philosophy, philosophy of the social sciences and cultural theory.

Chris Pierson is Professor of Politics at the University of Nottingham. He has written extensively on the problems of social democracy and the welfare state. His latest publications include *Beyond the Welfare State?*, *Developments in British Social Policy* (edited with Nick Ellison) and *Making Sense of Modernity: Conversations with Anthony Giddens*.

Trevor Purvis has recently completed his doctoral dissertation at Lancaster University. The dissertation focuses on the failure of Western conceptions of nation and sovereignty to accommodate aboriginal peoples' political aspirations. He has also recently published articles relating to discourse and ideology and citizenship and the politics of identity. He teaches in the Law Department at Carleton University in Ottawa.

Neil Robinson is Lecturer in Russian politics at the University of Essex. His publications include *Ideology and the Collapse of the Soviet System*, *Post-Communist Politics* (co-author) and articles on Soviet and post-Soviet Russian politics.

Tony Tant is Senior Lecturer in the Department of Politics at the University of Plymouth. He received his PhD from the University of Essex in 1986, having previously been an undergraduate there. Before taking up the position at Plymouth he taught in both Government and Sociology Departments at Essex. His teaching, research and publications focus upon the relationship between beliefs/ideas and structures, conventions/behaviour.
