Acknowledgements

Robert W. Jones, formerly of the University of Wales, Aberystwyth, now of the University of Leeds, was crucially encouraging during the early stages of this project, and Amy Scott-Douglass, of California State University, Fullerton, terrifically helpful and supportive towards the end of it. Others who contributed significantly along the way include Peter Barry, Malcolm Andrews, the late Anny Sadrin, and, among my colleagues at the University of Aarhus, Karl-Heinz Westarp, Peter Mortensen, Prem Poddar and Dale Carter.

I am grateful for the assistance of the staff of the Bibliothèque Nationale, Paris, the Bodleian Library, Oxford, and the State and University Library, Aarhus.

I would also like to thank my brother Nicolas, for his excellent cover photograph.

A version of part of Chapter 2 previously appeared in *Dickens, Europe and the New Worlds*, edited by Anny Sadrin (Basingstoke: Macmillan; New York: St Martin's – now Palgrave, 1999).
