

# Part III Models for Multiple Populations

Chapter 8. Standard Multiple Compartment Analysis

Chapter 9. Basic Methodology for Multiple Population Stochastic Models

Chapter 10. Linear Death-Migration Models

Chapter 11. Linear Immigration-Death-Migration Models

Chapter 12. Linear Birth-Immigration-Death-Migration Models

Chapter 13. Nonlinear Birth-Death-Migration Models

Chapter 14. Nonlinear Host-Parasite Models

Chapter 15. References
