

Palgrave Animation

Series Editors
Caroline Ruddell
Brunel University London
Uxbridge, UK

Paul Ward
Arts University Bournemouth
Poole, UK

This book series explores animation and conceptual/theoretical issues in an approachable way. The focus is twofold: on core concepts, theories and debates in animation that have yet to be dealt with in book-length format; and on new and innovative research and interdisciplinary work relating to animation as a field. The purpose of the series is to consolidate animation research and provide the 'go to' monographs and anthologies for current and future scholars.
