

Palgrave Macmillan Studies in Banking
and Financial Institutions

Series Editor

Philip Molyneux
Bangor University
UK

Aims of the Series

The Palgrave Macmillan Studies in Banking and Financial Institutions series is international in orientation and includes studies of banking systems in particular countries or regions as well as contemporary themes such as Islamic Banking, Financial Exclusion, Mergers and Acquisitions, Risk Management, and IT in Banking. The books focus on research and practice and include up to date and innovative studies that cover issues which impact banking systems globally.
