*How Can One Take Delight in the World Unless One Flies  
to it for Refuge?*

Franz Kafka  
*The Zürau Aphorisms*

*Thanks to the morbid estrangement which the lunacy of nationality has produced and continues to produce between the peoples of Europe, thanks likewise to the shortsighted and hast-handed politicians who are with its aid on top today and have not the slightest notion to what extent the politics of disintegration they pursue must necessarily be only an interlude—thanks to all this, and to much else that is altogether unmentionable today, the most unambiguous signs are now being overlooked, or arbitrarily and lyingly misinterpreted, which declare that Europe wants to become one.*

Friedrich Nietzsche  
*Beyond Good and Evil*

*For my mother Sofia*

## ACKNOWLEDGEMENTS

In the first instance, I would like to thank the editors at Palgrave-Macmillan for the enthusiasm they expressed in the book and for their help throughout its publication. I would also like to thank the anonymous reviewers for their useful insights and recommendations. Nothing would have been possible without the intellectual input and moral support of Alev Adil who has followed every step of the book's research and writing.
