## NOTES ON CONTRIBUTORS

**Emily Ackley** is an organization development practitioner and facilitator. She specializes in designing and implementing new programs, analyzing and improving organizational systems, and collaborating with diverse and global stakeholders to build and successfully advance advocacy movements. She works at ProInspire, a nonprofit that works with social sector organizations to develop leaders, expand talent pipelines, and increase diversity to catalyze performance. Emily holds a master's degree in organization development from American University in Washington, D.C.

**John L. Bennett** is the Wayland H. Cato, Jr. Chair in Leadership, Associate Professor of Business & Behavioral Science, and Director of the Graduate Programs with the McColl School of Business at Queens University of Charlotte. He holds a doctorate in Human and Organizational Systems from the Fielding Graduate University. In addition to teaching, he is a frequent speaker and presenter at academic, professional, and client conferences and workshops, as well as author of numerous articles about building organizational resilience to change, coaching, communication, innovative team-based management, and leadership. Bennett is a past president of the Graduate School Alliance for Educating Coaches and of North Carolina Industrial Organizational Psychology. As an executive coach and consultant, he has helped individuals, teams, and organizations in a variety of industries prepare for and excel through change for nearly 30 years. Bennett is author of numerous articles and three books, namely *Leading the Edge of Change*, *The Essential Network*, and *Coaching for Change* (2014). He serves on the editorial board of *International Coaching Psychology Review*.

**Heather Berthoud** is a trusted partner to organizational and community leaders in organizational effectiveness and leadership development. She combines a passion for social justice with a focused practical results orientation that improves leaders' and organizations' ability to accomplish their goals, learn, and enjoy. She is a faculty member in the Master of Science in Organizational Development program at American University. She is a member of NTL Institute, Organization Development Network, and the Gestalt International Study Center. Her practice and teaching are informed by years of studying martial arts and yoga, as well as hiking.

**W. Warner Burke** is the Edward Lee Thorndike Professor of Psychology and Education at Teachers College, Columbia University, where he has been since 1979. He has written or edited 20 books and authored well over 150 articles and book chapters. He has received many awards, including the OD Network's Lifetime Achievement Award and NASA's Public Service Medal. He was the administrator of the ODN from 1966 to 1967 and the executive director from 1968 to 1974. He helped to launch the *OD Practitioner* in 1968.

**Mary Wayne Bush** is principal of OnCall Coaching, LLC, specializing in executive coaching and organizational consulting, and holds a doctorate in Organizational Change from Pepperdine University. She is an internationally recognized coach researcher, speaker, and writer. She has authored original research on executive coaching, as well as numerous articles and book chapters, and is the co-author of *Coaching for Change* (2014). Bush has held corporate positions in organization development and change management, and was on the faculty of the doctoral program in Organization Development and Change at Colorado Technical University. She is an Associate with the Institute of Employment Studies in the UK, supporting research and organizational effectiveness projects. In addition, she is an Executive Coach in Residence at Queens University of Charlotte. She is on the editorial board of *Coaching: An International Journal of Theory, Research and Practice*.

**Gervase R. Bushe** is Professor of Leadership and Organization Development at the Beedie School of Business, Simon Fraser University, Vancouver, Canada. His book, *Clear Leadership*, has been translated into 7 languages and his Clear Leadership Course is licensed by over 100 certified instructors on 5 continents. He is the developer, with Robert Marshak,

of Dialogic Organization Development theory. A chapter on his life and work is in *The Palgrave Handbook of Organizational Change Thinkers*.

**Mee-Yan Cheung-Judge** is a scholar-educator-practitioner working globally with organizations to deliver powerful transformational change. She is a senior visiting fellow of the Roffey Park Management Institute in the UK and the Singapore Civil Service College. She founded the OD Network in Europe and has been the dean of the NTL European OD certificate. She is the author of numerous OD articles, books, and reports. Cheung-Judge was a recipient of the ODN's Lifetime Achievement Award in 2013 and the Richard Beckhard Award for Contribution to the Field of OD by IODA in 2016, and the UK *HR* magazine voted her one of the top influential thinkers in the field of HR in 2008, 2013, 2014, 2015, 2016, and 2017.

**Allan H. Church** is Senior Vice President of Global Talent Assessment & Development at PepsiCo. Over the past 17 years, he has held a variety of roles in organization development and talent management in the company. Previously he was with Warner Burke Associates for almost a decade, and before that at IBM. He is on the Board of Directors of HRPS, the Conference Board's Council of Talent Management, an adjunct professor at Columbia University, and associate editor of *JABS*. He has been a former chair of the Mayflower Group. Church has a PhD in organizational psychology from Columbia University, and is a fellow of SIOP, APA, and APS.

**Kristin L. Cox** manages resilience, crisis intervention, and peer support programs for the US Coast Guard. She has worked for over 25 years with leaders and first-responder organizations, helping them to heal from disasters, trauma and difficult circumstances. US Coast Guard, Kristin L. Cox Consulting, Edmonds, Washington, USA.

**Daphne DePorres** is a lead professor in the doctor of management program at Colorado Technical University. She enjoys working with dissertation students and their mentors to generate and publish valuable contributions to the body of knowledge. She has served in a number of organizations leveraging her organization development and quality assurance backgrounds. Her experience includes management positions in a Fortune 500 company, directing and teaching in a prominent organization development master's program in Mexico, a vice-presidency in

research, evaluation and organizational effectiveness with a large nonprofit in Los Angeles, and other adventures along the way.

**Bernardo M. Ferdman** is a distinguished professor at the California School of Professional Psychology, Alliant International University, and a leadership and OD consultant and CCE Board-certified coach (<http://ferdmanconsulting.com>) with over three decades of experience working with diverse groups and organizations to increase individual and collective effectiveness and inclusion. He consults, coaches, writes, speaks, teaches, and conducts research on inclusion, diversity, inclusive leadership, and bringing one's whole self to work. Ferdman is passionate about helping to create an inclusive world where more of us can be fully ourselves and accomplish our goals in ways that are effective, productive, and authentic.

**Shana Hormann** has over 30 years' experience providing coaching for leaders as well as training and consultation for nonprofit organizations, tribal communities, and government agencies. She co-authored *Organizational Trauma and Healing* with Pat Vivian. Antioch University, Seattle, Washington, USA.

**Mike Horne** is a people leader for growth organizations. He has led organization development and human resources teams at Willis Towers Watson, Marriott International, Nortel Networks, Genentech (a member of Roche Pharmaceuticals), and Brocade Communications, and is currently at Gilead Sciences. In addition, Mike has extensive global experience gained by consulting to Darden Restaurants, Exxon, HP, and McKesson, among others. Horne has served as an adjunct faculty member in several human resources and organization development programs. He is a returned Peace Corps Volunteer (Solomon Islands) and lives in the San Francisco Bay Area.

**Edward E. Lawler III** is Director of the Center for Effective Organizations and a distinguished professor in the Marshall School of Business at the University of Southern California. He is the author of over 400 articles and 50 books. His most recent books include *Useful Research: Advancing Theory and Practice* (2011), *Management Reset: Organizing for Sustainable Effectiveness* (2011), *The Agility Factor* (2014), and *Reinventing Talent Management: Principles and Practices for the New World of Work* (2017). For more information, visit <http://www.edwardlawler.com> and <http://ceo.usc.edu>.

**Christopher M. Linski III** is a doctor of management and registered OD consultant. He owns a management consulting firm in Colorado, focusing on human capital and process improvement. As an assistant professor, he teaches undergraduate, graduate, and doctoral courses for ground and online universities. Linski spends his spare time assisting veteran and nonprofit organizations. Recent research conducted by Linski encompasses topics of veteran transition assistance, higher education support programs, and shifting the paradigm on resistance to change.

**Mitchell Lee Marks** is President of the consultancy [JoiningForces.org](http://JoiningForces.org) and Professor of Leadership at San Francisco State University. He advises on organizational change, team building, corporate culture, and the planning and implementation of mergers, acquisitions, reorganizations, and other transitions. Mitch is the author of eight books—including *Charging Back Up the Hill: Workforce Recovery after Mergers, Acquisitions and Downsizing*, and *Joining Forces: Making One Plus One Equal Three in Mergers and Acquisitions*—and scores of articles in practitioner and scholarly journals, including the *Harvard Business Review* and the *Journal of Applied Psychology*. He holds a PhD in organizational psychology from the University of Michigan. He has received the Outstanding Contribution to Organizational Behavior Award from the Academy of Management and is a fellow of the Society for Industrial and Organizational Psychology.

**Robert J. Marshak** has been an organizational consultant for more than 40 years and is a distinguished scholar in residence emeritus, School of Public Affairs, American University. Marshak is a longtime contributor to Organization Development (OD) theory and practice and is a recipient of the OD Network's Lifetime Achievement Award and the Academy of Management Organization Development and Change Division's Distinguished Educator Award.

**Jackie Milbrandt** is a research associate to the Opus College of Business Endowed Chair at the University of St. Thomas in Minnesota, where she is a doctoral candidate in organization development and change. Jackie has over 15 years of experience as a manager, consultant, educator, and researcher in the United States and abroad, working in for-profit, government, nonprofit, and education sectors. Her long-term projects include external consulting in OD and strategic change, research and writing on values in small to medium-sized family owned firms, and completing her dissertation work on "Practice Wisdom in the Art of Change."

**Sarah Murphy-Kangas** is an organizational development practitioner, providing coaching, mediation, team development, and group facilitation to clients. She also conducts workshops designed to enhance organizational health. Murphy-Kangas specializes in helping caregiving organizations find resilience and wholeness in the midst of difficult work. MK Consulting, Bellingham, Washington, USA.

**William Pasmore** is a visiting professor at Columbia University Teachers College and SVP of Organizational Leadership at the Center for Creative Leadership. As a thought leader in the field of organization development, he has published 25 books and numerous articles, including *Designing Effective Organizations*, *Creating Strategic Change*, *Research in Organization Change and Development*, and *Relationships That Enable Enterprise Change*. Since 2011, he has been serving as the editor of the *Journal of Applied Behavioral Science*.

**Amanda C. Shull** is Director, Global Organization Effectiveness, at a multinational athletic footwear and apparel corporation, where she focuses on employee engagement, organizational culture, and organizational design for teams across the company. Prior to this role, Shull led the talent management function at Guardian Life for several years, as well spent time at PepsiCo and with Sirota, a survey research firm. She completed her PhD in social-organizational psychology at Teachers College, Columbia University, and her MS in I-O psychology from Tulane University. Shull has taught courses as an adjunct professor at Columbia University and is an active researcher and presenter.

**Becka Tilsen** was a movement baby raised inside Midwest social justice movements. She is deeply invested in building strategic, compelling, and resilient mass movements for change. Tilsen is a somatic therapist, trainer, organizational consultant, and leadership coach in Seattle, Washington, USA.

**S. Aqeel Tirmizi** His professional portfolio includes over 25 years of experience in teaching, training, consulting, and research in international settings. He holds a master's in international administration and a PhD in management. Aqeel's work focuses on responsible leadership, intercultural management, employee well-being, and social innovation. His latest co-edited volume, *Leading and Managing in the Social Sector: Advancing Human Dignity and Social Justice*, integrates relevant evidence and offers leadership guidance for mission-driven entities in the

social sector. He has undertaken a variety of consulting and training assignments for international and national organizations in the nonprofit, public, and private sectors. In recognition of his contributions, Aqeel was selected in the 2013 CSCLeaders program under the auspices of HRH The Duke of Edinburgh's Commonwealth Study Conferences.

**Pat Vivian** has been a consultant to nonprofits for 35 years. Her practice, which takes her around the United States, focuses on helping nonprofits recover and heal from trauma. With Shana Hormann she published *Organizational Trauma and Healing* in 2013. Pat Vivian Consulting, Community Consulting Partnership, Seattle, Washington, USA.
