About the Editors

Mátyás Bencze is a former judge, and is currently a Professor of Law at the University of Debrecen Law School and a Research Fellow at Hungarian Academy of Sciences, Centre of Social Sciences, Institute for Legal Studies, Hungary. His main research interest is legal sociology with special emphasis on the sociological background and quality assessment of adjudication. He is the author of two books, and numerous articles and essays. He has been involved in some international scientific cooperation between European countries. e-mail: bencze.matyas@law.unideb.hu

Gar Yein Ng is currently a Lecturer in Law at the University of Buckingham, but has worked across a variety of universities across Europe, including the Universities of Utrecht, Maastricht, and Central European University in Hungary. She has conducted research in projects for the OSCE, Council of Europe, European Union amongst others. Her field of expertise is in comparative constitutional law and judicial studies. Her areas of research include comparative public law, judicial studies, procedural law, and court management. e-mail: garyeinng@buckingham.ac.uk
