#### NOTE

Throughout these notes, the lower case German "p" has been consistently typed as a lower case Roman "y". This results in some rather unusual notation , but should not cause any difficulty if the reader is prepared for it. The lower case German "c" is also indistinguishable from the lower case Greek tau, but again no real confusion should result.

## TABLE OF CONTENTS

Chapter 1. Introduction.....	1
Chapter 2. Frobenius Functors.....	13
Chapter 3. Finiteness Theorems.....	37
Chapter 4. Results on $K_0$ and $G_0$ .....	54
Chapter 5. Maximal Orders.....	83
Chapter 6. Orders.....	104
Chapter 7. $K_0$ of a Maximal Order.....	126
Chapter 8. $K_1$ and $G_1$ .....	140
Chapter 9. Cancellation Theorems.....	167
Appendix .....	205
References .....	233
List of Symbols.....	235
Index .....	236
