ACKNOWLEDGMENTS

This volume reports papers presented at the University of Massachusetts Conference on 'Language Processing and Language Acquisition' held in Amherst on May 7—8, 1989. The conference was supported by N.I.H. Training Grant # *HD-07327*. We wish to thank the authors not only for their papers and commentary, but also for reviewing each other's papers. We are also grateful to Emmon Bach, Tova Rappaport, Juli Carter, Greg LaMontagne and especially Tom Roeper for help with many stages of the conference and proceedings. Special thanks go to Maggie Browning for the excellent commentary she provided at the conference, and to Kathy Adamczyk for her extensive help and organizational wizardry.
