

III. Friction

A. Klarbring*

On (Non-)Existence and (Non-)Uniqueness of Solutions in Frictional Contact Problems

J. Guillen, C. Pierre

An Efficient, Hybrid Frequency-Time Domain Method for the Dynamics of Large-Scale Dry-Friction damped Structural Systems

D. Vola, A. Pinto da Costa, S. Barbarin, J.A.C Martins, M. Raous

Bifurcations and Instabilities in Some Finite Dimensional Friction Contact Problems

* Key Lecture
