ACKNOWLEDGEMENTS

We acknowledge with pleasure that the preparation of this book has been generously supported by the Center for Policy Research, State University of New York at Albany. We wish to thank Jeryl Mumpower, Director of the Center, for his personal support and contribution in the reviewing and editing process.

Our job of editing this book has been greatly facilitated by the efficient cooperation of the following reviewers: Ned Crosby, Jack Kartez, Joanne Linnerooth-Bayer, David McCaffrey, Stephen Stec, and Ola Svenson. In addition we would like to express our gratitude to Kathy Plunkett, Francis Richardson, Suzanne Wissel, and Lynne Womer for their collaboration in the review and preparation process.
