ACKNOWLEDGMENTS

We would like to thank all the contributors: Shanade Barnabas, Naydene de Lange, Ashley DeMartini, Bernard Chan, Bronson Chau, Diana Ihnatovych, Lukas Labacher, Vivian Wenli Lin, April Mandrona, Claudia Mitchell, Relebohile Moletsane, Natalie Schembri, Claire Caseley Smith, Keyan Tomaselli, Caitlin Watson, and Sean Wiebe for their dedication and insightful work. There are a number of participants involved in our research who will remain unnamed but to whom we are inspired and committed. We are appreciative to the generous peer reviewers whose insights prompted our ideas to take root and grow. We are sincerely thankful to Sense Publishers and Michel Lokhorst for sharing our enthusiasm for cellphilms. Ann Smith provided copyediting for the volume and we are very grateful for her sound guidance. We also extend a very special thank you to Claudia Mitchell who inspired us to embark on this endeavour and tirelessly supported us every step along the way.
