ACKNOWLEDGMENTS

This book is dedicated to my students at Tokyo's Sophia University.

Through our discussions and debates over the years, they inspired me to research many aspects of Asia's development, and motivated me to write this book. Naturally, I am responsible for any remaining errors and shortcomings.

I would also like to extend my sincere gratitude to the Asian Century Institute for its generous support that enables this book to be available through Open Access.

CONTENTS

1	Introduction	1
	<i>US Reboots Post-war Asia</i>	1
	<i>From Asian Renaissance to Asian Century Hype</i>	2
