ACKNOWLEDGEMENTS

Our research has been generously funded by a grant from the Institute for New Economic Thinking.

We have benefitted from conversations with many colleagues and researchers elsewhere. In particular, we would like to thank Chris Jefferis, Chris Aston, Yuxin Yu, and Jackson Mi. We are also grateful for discussions with Daniela Gabor, Jakob Vestergaard, Shaun Breslin, Yang Jiang, and other participants at the China at the Crossroads Conference, 25–26 January 2016, at the Danish Institute for International Studies in Copenhagen, and Beatriz Carillo Garcia, Stephen Bell, Hui Feng, Kellie Tsai, Guonan Ma, and other participants at the Shadow Banking and Alternative Finance in China Workshop, 27 May 2016, hosted by the University of Sydney China Studies Centre.

Finally, this work would not have been possible without the support we have had from Raych and Frankie (Michael) and Rachel and Ziggy (Luke).
