# Preface

Marc Yor est décédé le 9 janvier 2014.

C'est avec une profonde tristesse et une immense reconnaissance que nous saluons la mémoire de celui qui anima le Séminaire pendant plus de 25 ans avec une énergie infatigable, et dont les qualités scientifiques et humaines faisaient l'admiration de tous.

Le Volume XLVII, actuellement en préparation, sera dédié à sa mémoire.

Le présent volume, incluant en particulier un article de Marc Yor, continue la tradition d'exposés divers en théorie des probabilités.

---

Marc Yor passed away on January 9, 2014.

With deep sorrow and immense thankfulness, we pay tribute to the memory of him who tirelessly animated the Séminaire for more than 25 years, and whose scientific and human qualities were admired by everyone.

Volume XLVII, now in preparation, will be dedicated to his memory.

The present volume, including in particular an article by Marc Yor, keeps the tradition of various lectures in probability theory.
